

The background of the entire page is a dark, out-of-focus cityscape at night, with warm orange and yellow bokeh lights from buildings and streets. In the center, a stack of approximately 15 translucent, reddish-pink cubes is arranged in a 3x3x3 formation. These cubes are placed on a highly reflective, metallic surface that features a grid of glowing blue and red lines. The surface reflects the cubes and the ambient light, creating a complex interplay of colors and light patterns.
