

NG WEE JIA JUN

PROFILE

As a recent graduate from Tunku Abdul Rahman University College with a Bachelor's degree in Finance and Investment, I am excited to pursue a career in finance and investment field. With a strong passion for finance and investment, I bring enthusiasm, self-motivation and a keen interest in financial markets and trading strategies. Excelling in team environments, I collaborate effectively to achieve common goals while also demonstrating strong independent skills. Looking forward, I am eager to apply my adaptability and enthusiasm to overcome obstacles, push boundaries and gain valuable experience in this dynamic field.
